

Provincial Grand Chapter of Durham Annual Survey of Membership Issues.

We are looking to develop ways of helping our Chapters to thrive and grow and need your help to do so. It is our intention to gather the views of our membership about their Chapters and their aspirations for the future. We can not do it without your help and hope that you will take the time to complete this survey in the spirit that it is meant - to help you to understand your Chapter and to help us to get a clearer picture of what is happening in the Royal Arch across Durham. To get the best out of this survey, please ensure it is discussed with ALL your membership and not solely completed by the SE. You might want to discuss this survey in open Chapter. Please do not ask individual members to send a response. After you have discussed it then send in only one survey response per Chapter taking in everyones views. It is our intention that we will run this survey annually in and around the month of September. The survey will take approximately 15 minutes to complete. If you need to listen to the text rather than view the text please click on the immersive reader button in the top right hand corner (the three dots).
